

# School Gardens Program Questionnaire

Please fill out the questionnaire below. We will use this questionnaire to judge the best garden each term based on merit so that schools with a smaller number of students are not judged unfairly against schools with a larger number of students. We will also use this questionnaire so that we can determine how best to help your school.

Please email this questionnaire back to us at [info@vasilisgarden.com](mailto:info@vasilisgarden.com) along with photos of the existing gardens.

Name of school:

Address:

Contact Person:

Position:

Phone:

Email:
